

22nd February 2016

Dear Parent / Carer,

This is a letter to remind your child that they have **internal Science assessments, commencing the week beginning 29th February.**

Year 11

ALL pupils will be tested on **Unit 5 content**, with the following timetable:

11a Biology and Physics – Tuesday Period 3

11b Biology and Physics – Tuesday Period 2

11a Chemistry – Wednesday Period 1

11b Chemistry – Wednesday Period 3

You will be informed of all test result grades through the Progress Grades this half term. **It is essential that your child attempts these tests with the aim of achieving the best possible results they can. The outcomes of this test will be used to determine suitability for entry for the Separate Science GCSE exam.**

If you have any further questions please feel free to contact me on 0208 575 8222 (Ext 442)

Yours faithfully

Ms A Barron
Head of Key Stage 4 Science
