

Year 9 Spanish Visit to La Rueda Tapas Restaurant

Year 9 students recently visited a typically Spanish restaurant in Ealing where they enjoyed an afternoon of traditional Spanish Tapas whilst at the same time speaking and ordering their food in Spanish. This was a unique opportunity to use the language skills they have been learning in class and use them in a real life situation.

Students sampled a range of authentic Spanish food such as Calamares a la romana, tortilla española, pimientos padrón, gambas a la plancha, berejañas, aceitunas, verduras y albondigas.
