

FLAMENCO

The señoritas of Year 7 and 8 spent a wonderful afternoon at our recent Spanish Flamenco workshop where they learnt *baile* (dance) and *jaleo* (vocalizations) and *palmas* (handclapping) and *pitos* (finger snapping).

Flamenco is performed against a style of instrumental or vocal music originating in southern Spain and typically of an intensely rhythmic, improvisatory character.

The afternoon gave a wonderful insight into the culture of Spain and the students enjoyed taking part and dancing. The workshop was conducted in Spanish and English.

All Spanish staff gave it a go even Mr Castro!!!
