

Fantastic Sixth Form results for 2016

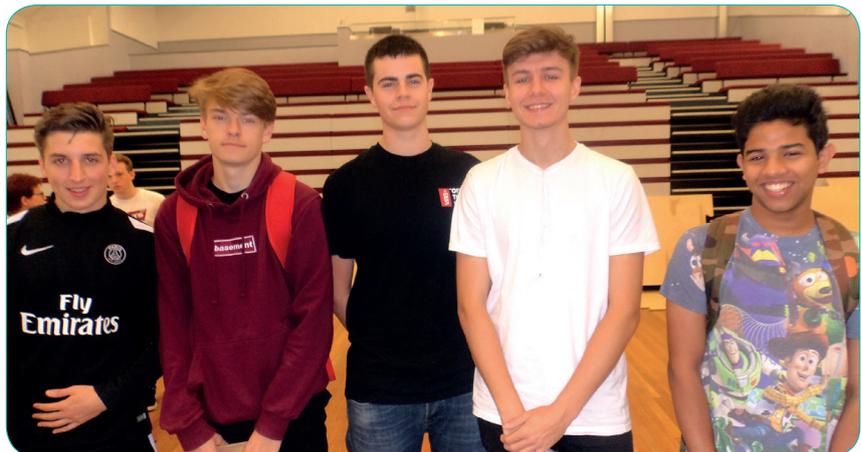

Congratulations to Y13 students and staff on an excellent set of A Level and Vocational results this year!

Three students have successfully gained places at the University of Cambridge – an outstanding achievement! Many more are about to study competitive degrees at Russell Group Universities – well done to all of our talented and hardworking young people!

We have a 100% pass rate of A* - E at A Level with 45% of entries graded at A* - B and 80% at A* - C.

The average grade for students completing Diploma courses was a Distinction+. This is a tremendous result for our all-inclusive Sixth Form and we are very proud of our young people who have worked so diligently and shown incredible commitment and dedication to their studies.

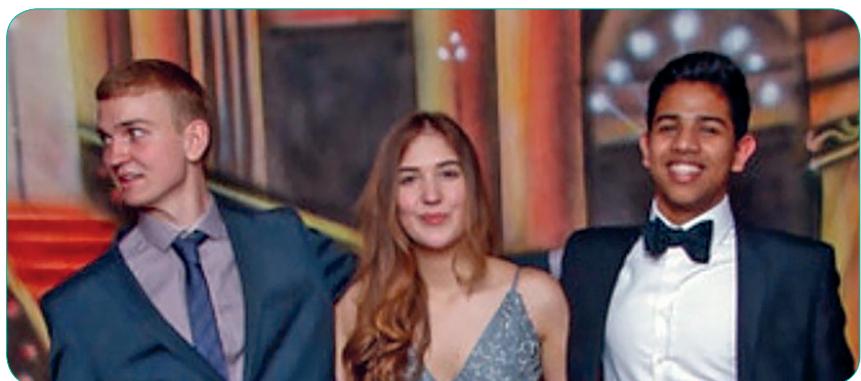

We also thank the teachers who have worked tirelessly to support them to reach their full potential. We have a strong tradition of high expectations and aspirations and are delighted that many of our students will be attending world class Russell Group Universities.

Well done to Anna Cremin, Suneet Dias and Luke Mleczko (pictured below) who have successfully gained places at the University of Cambridge!

Anna (History A, English Literature A, Religious Studies A) will be off to Christ's College, Cambridge to read History; **Suneet** (History A*,

Geography A and English Language A) will also be studying History at St. John's College, Cambridge and **Luke** (Physics A*, Maths A*, Chemistry A) will be starting a degree in Chemical Engineering at Homerton College, Cambridge. Good luck to Faith Otote (Biology A*, Maths A*, Chemistry A) who will be studying Medicine at UCL.

The following students also deserve a special mention for achieving outstanding A*/A results:

Anna Bell	A*AC	University of Reading - Philosophy and Politics Government and Politics (A*), Religious Studies (A), History (C)
Leon Dzapasi	A*AB	University of Loughborough - Business, Economics and Finance Law (A*), Psychology (A), Geography (B)

Jago Taylor	A*AB	University of Bristol – Computer Science Maths (A*), Physics (A), Further Maths (B)

Student comments:

“As I begin a new chapter in my life I will always be thankful and appreciative of the Sixth Form team and staff and would like to thank them once again for getting me into one of the best universities in the country (Loughborough) as well as helping me grow as a person.”

Leon Dzapasi

“I could not have chosen a better Sixth Form for friendship, teaching and inspiration. I look forward to attending the University of York but will always miss Wiseman.”

Darcey Nicholls

“I could not have received better support from the Sixth Form Team, who gave it their all in helping me with the lengthy Cambridge application process.”

Suneet Dias

Good luck to all of our Y13 students as they start a new journey – either at university, on apprenticeship schemes or on work placements – we wish them all the very best and look forward to sharing their continued success as members of the WISEMAN COMMUNITY!
