

14th February 2019

Dear Parent / Carer,

This is a letter to inform you that your child will have Science Assessments after half term.

Year 11

Physics: Wednesday 6th March (A half period 5, B half period 1)

Biology: Thursday 7th March (A half period 3, B half period 2)

Chemistry: Friday 8th March (A half period 2, B half period 4)

It is essential that your child attempts these tests with the aim of achieving the best possible results they can.

Some students in Higher Combined Science will be trialling a Foundation Paper – those parents/guardians will be informed.

Topics that will be tested

Biology: B4-B6

Chemistry: C4-C6

Physics: P4-P6 if Combined or P5-P8 if Separate Sciences

However, all papers may draw on some knowledge from units 1-3 (or 1-5 for physics separate)

Revision resources can be found on Frog which include past paper questions, board works quizzes and mindmaps. Students also have access to the online textbook and further practice questions at <https://www.kerboodle.com>.

If you have any further questions please feel free to contact me on 0208 575 8222 (Ext 442)

Yours faithfully

Ms Ul-Haq
Second in Science/Key Stage 4 Manager
