10 October 20014.

Dear Ms Glampson

Chris Matloob, Year 10

Iraqi Christians in Need (ICIN) Fund raising event / Talent Show

ICIN would like to put on record its thanks to one of your students, Chris matloob for his efforts in making ICIN Talent show a success.

Iraqi Christians in Need (ICIN) is a UK registered Charity established in 2007 with the objective of providing aid to persecuted Iraqi Christian in Iraq and those who took refuge in neighbouring countries.

On the 4th of October 2014 the charity organised a fund raising event in which Chris and his family took part in organising and Chris played the Piano in a talent competition. His performance was well received and the event raised substantial funds to help the displaced and persecuted Iraqi Christians.

Since June 2014 when the Islamist Jihadist took over Mosul, the second city in Iraq and the villages in the Ninava plane driving out its entire Christian inhabitant, there are now over eleven thousands homeless refuges in northern Iraq. ICIN is working in collaboration with the local churches implementing several programs providing food, drinking water, accommodation and in some cases direct financial support.

The participation of your students in charitable activity is admirable and is greatly appreciated.

Kind regards

Yours sincerely

Faiz Tappouni

Chairman
