For Hannah and Georgina, that God may continue to bless them in their future studies.

For Joanie, We thank you Lord for allowing her extra time of grace to be with her family and receive the sacraments. May she rest in peace and rise in glory.

For Martin Kinsella, May he rest in peace. We pray also for his family, that Jesus Our Comforter, will bring them peace and comfort at this time.

For William, aged 25, who is in ICU. May William and his family be strengthened by the love of Jesus. We ask that God guides the Doctors and medical staff in all they do.

The background of the slide features a soft, artistic illustration. At the top, two hands are shown holding a wooden cross. Below the cross, there is a bouquet of pink and white flowers with green foliage. A small orange butterfly is depicted near the flowers. The overall color palette is light and pastel, with a blue sky-like background at the top.

We Pray for:

Please shine your love and protection on our students and staff in the following weeks. Please give those with anxiety a sense of peace and help them to feel the warmth of our community embrace them. I give thanks to you for the fortunate position my family are in and ask that those who are struggling and grieving be comforted with your loving presence. I ask you to please remind me in times of stress that I can be the face of Jesus to those I meet, and that with your guidance I am reminded to serve humbly and gratefully.

For Veronica who is recovering after heart surgery. Lord be with her family at this time of uncertainty and be with Veronica and in her healing.
