

24th January 2017

Dear Parent / Carer,

This is a letter to inform you that your child will have **Pre Public Exams to prepare them for the public exams this summer.**

Year 11

ALL Separate Science pupils will be tested on the following:

Biology and Physics – a half - Monday 6th February – Period 5

Biology and Physics – b half – Monday 6th February – Period 4

Chemistry – a half – Friday 10th February – Period 2

Chemistry – b half – Friday 10th February – Period 4

You will be informed of all test result grades. **It is essential that your child attempts these tests with the aim of achieving the best possible results they can.**

For the Biology assessment the students will be assessed on **unit 3**, and for Chemistry and Physics the students will be assessed on **unit 4**.

Revision resources can be found on Frog these include past paper questions, board works quizzes and revision schedules to follow using the revision guide and revision workbook students have been given. Students also have access to the online textbook at <https://connect.collins.co.uk> the username: Cardinal and password: Wiseman.

Also available for students to purchase are the CGP app titled **CGP Test and Learn (OCR Gateway Separate Science)** that contains a digital version of the revision guide and has interactive quizzes and questions on it. These are priced at £1.49 and are available for iPhone, iPod Touch, iPad and Android devices.

If you have any further questions please feel free to contact me on 0208 575 8222 (Ext 442)

Yours faithfully

Mr G Rewt

Acting Head of Key Stage 4 Science
