

An 'Outstanding' 6th form (Ofsted 2018) & Excellent results 2019

Congratulations to Y13 students and staff on achieving fantastic A Level results and excellent Diploma grades!

A Levels: 29%: A*-A, A*-B at 54%, 82% A*-C

Diplomas: 100% pass rate with an Average Grade of Merit

We are so pleased for the excellent grades our students achieved this past year.

The results were genuinely impressive; with many students accessing the highest grades, allowing them to access the top universities in the country. Just under a third of all entries achieved A* - A; A* - B was 54%; reflecting a continuing trend of very strong results at the school. This is a great result for our all-inclusive Sixth Form! We are extremely proud of our students who have worked exceptionally hard all year and shown incredible commitment and dedication to their studies, whatever grade they achieved.

In a year which saw the final introduction of the new and more challenging A Levels, our dedicated staff have worked tirelessly with pupils to ensure

the best possible outcomes for them. We have a strong tradition of high expectations and aspirations and are delighted that around 150 students are off to university, including prestigious Russell Group universities like the University of Cambridge, Imperial, UCL, LSE and Nottingham.

28 students achieved the highest honours of 3 or more A*/ A's: a truly remarkable achievement.

Good luck to all of our Y13 students as they start a new journey – either at university, on apprenticeship schemes or on work placements – we wish them all the very best and look forward to sharing their continued success as members of the **WISEMAN COMMUNITY!**
