The Cardinal Wiseman Catholic School
Sixth Form

An 'Outstanding' 6th form and Outstanding results 2026

Congratulations to Y13 students and staff on achieving fantastic A Level results and excellent BTEC grades!

A Levels: 30%: A*-A, 65% A*-B, 88% A*-C, 99% A* - E

BTEC: 100% pass rate with an Average Grade of Distinction

We are incredibly proud of the outstanding achievements of class of 2026. With 90% of our students getting into their first-choice university and around 35% attending Russell Group Universities, they are well set for the coming years.

The trend of results in 6th form has been excellent for several years; with many students accessing the highest grades and a progress score yet again placing us within the top 10% schools nationally. Our track record over recent years shows that students make consistently outstanding progress easily placing us as one of the top two schools in the area.

This is perhaps even more impressive considering students in Wiseman Y11 make progress already in the top 2-3% year on year. We have demonstrated that we can stretch and challenge our students and have a culture of supporting each individual to achieve their very best. This really is a great result for our all-inclusive Sixth Form!

Our dedicated staff have worked tirelessly with students to ensure the best possible outcomes for them considering the increasing challenges with exams and rise in grade boundaries.

We have a strong tradition of high expectations and aspirations and are delighted that over 194 students went off to university this September and a number of our students secured places at highly sought after apprenticeships, so well done to them as well.

An outstanding fourty-five students achieved an average grade of A*/A's. Twenty-two students achieved the highest honours of 3 or more A*/A's and eighty-four students attained all A*-B: a truly remarkable achievement.

Good luck to all our Y13 students as they start their new journey – either at university, apprenticeship schemes, gap years or on work placements – we wish them all the very best and look forward to sharing their continued success as members of the WISEMAN COMMUNITY alumni program!
