

Year 11 Parents' Consultation Evening
Thursday 29th January 2026 – 4:00pm – 7:00pm

Dear Parent/Carer,

I am writing to invite you to the Year 11 Parents' Consultation Evening on Thursday 29th January 2026 from 4:00pm-7:00pm. The Consultation Evening is an opportunity for you to meet in person with each of your child's subject teachers and review their academic progress. Each member of staff who teaches your child will be available for a five-minute appointment to discuss his/her progress.

Parents will meet teachers in the Jerusalem building classrooms and in our two activity studios. You should report to the school's main reception on arrival where Sixth Form students will be able to assist you and give you a map of the teachers' locations. Please note, we have inserted a 15-minute break between the times of 5:30pm-5:45pm for our teacher's comfort.

To ensure that the evening runs as smoothly as possible, you will need to book your appointments via School Cloud. Please note, this is still a face-to-face event, and there will be no online video appointments. The booking will open on Monday 19/01/26 at 09.00 and close Thursday 29th January at 12:00pm. Appointments are made on a first come, first served basis and we ask for your understanding that some staff see multiple classes.

To book your appointments please visit <https://wiseman.schoolcloud.co.uk>. Please note the name and e mail address used must be the same as the e mail address provided to the school for first contact. Login with the following information:

Student's First Name
Student's Surname
Tutor Group
Date of Birth

If you are having trouble logging on to book your appointments. Please contact Mr Coghlan or Miss Santhiramohan who will check your details for you.

School will only finish slightly earlier on this day. We recognise the need to maximise the learning of all our students and therefore will ensure that they lose as little lesson time as possible. If you are unable to attend, please contact the Head of Year Mr Coghlan and we will endeavour to feedback to you on your child's progress.

Please remember, if you will be attending without your son/daughter, it is important that you bring a list of their teachers to school with you.

Members of the SLT will be available on the evening should you wish to discuss anything with them. Selected students will be required to meet with SLT and we will send a separate email in due course to inform you.

We look forward to welcoming you in person to our school and hope that you find this a useful and enjoyable experience to aid your child's progress.

Please note, there is no parking available on site.

I look forward to seeing you on Thursday 29th January 2026.

Yours Faithfully

Ms R Coghlan
