Physics and Biology – B half – Thursday 8th March – Period 3

Chemistry - A half – Friday 9th March – Period 4

Chemistry - B half – Friday 9th March – Period 1

It is essential that your child attempts these tests with the aim of achieving the best possible results they can.

Topics that will be tested

Biology- B4 Community level systems; B5 Genes, Inheritance and Selection.

Chemistry- C4 Predicting and identifying reactions and products, C5 Monitoring and Controlling Reactions; C6.1 Improving Processes and Products

Physics - Combined – P4 Waves and radioactivity; P5 Energy

Separate - P5 Waves in matter; P6 Radioactivity ; P7 Energy

All students have been given **Revision Guides with Workbooks** that the Science Departments have purchased for students to use to prepare for examinations. Revision resources can be found on Frog which include past paper questions, board works quizzes and mindmaps. Students also have access to the online textbook and further practice questions at <https://www.kerboodle.com>.

If you have any further questions please feel free to contact me on 0208 575 8222 (Ext 442)

Yours faithfully

Miss Martin
