

18th April 2016

Dear Parent / Carer,

This is a letter to remind your child that they have **internal Science assessments, commencing the week beginning 25th April.**

Year 10

ALL pupils will be tested on **Unit 1 content covered during Year 9**, with the following timetable:

10a Physics – Monday Period 1

10b Physics – Monday Period 2

10a Biology and Chemistry – Tuesday Period 5

10b Biology and Chemistry – Tuesday Period 4

You will be informed of all test result grades through the Progress Grades. **It is essential that your child attempts these tests with the aim of achieving the best possible results they can. The outcomes of this test will be used to further determine the suitability for the course the students are following.**

If you have any further questions please feel free to contact me on 0208 575 8222 (Ext 442)

Yours faithfully

Ms A Barron
Head of Key Stage 4 Science
