This policy should be read in conjunction with all other policies and not as a standalone policy

Reasons for this policy

The policy of the governors of the Cardinal Wiseman Catholic School is to provide free education for all attending pupils. It should be noted that many activities can only take place with the benefit of voluntary contributions from parents/carers who wish their children to take part. The Governing Body has, therefore, set up a Charging and Remissions Policy for certain activities in school.

Outline

We believe that a school should give pupils as many varied learning experiences as possible and we shall do our utmost to ensure that all our pupils have the opportunity to benefit from curricular and extra-curricular experiences.

- 1.1. For activities such as music tuition, field trips, concert and theatre visits the Table (below) indicates those for which charges will be made. It also covers charges related to examination fees in specific cases.
- 1.2. Where visits are arranged either as an integral part of a particular syllabus or to enhance pupils' learning experience, parents/carers may be asked to contribute towards the cost.
- 1.3. Legislation states that a pupil should not be debarred from a visit if a parent/carer does not wish to contribute. In cases of family hardship, parents/carers may apply, in confidence, to the school for exemption from such contributions which shall be met by funds provided via the Governing Body. It should be made clear, however, that many activities can only take place with the benefit of voluntary contributions from parent/carers who wish their children to take part. If the contributions received do not cover the cost of arranging the activity, the activity might be cancelled.
- 1.4. Failure to contribute, however, would not in itself prevent a student from participating in an activity.
- 1.5. Where a parent or carer is on Income Support; Income-based Jobseeker's Allowance; Working Families' Tax Credit or Disabled Person's Tax Credit, all charges will be remitted on completion of

the necessitous children's fund form and the school will bear the cost from its budget or from voluntary school funds.

Activities not run by the School or LA

There may be occasions when an organisation other than the LA or the school Governing Body arranges an activity during school hours, and parents want their children to take part. Such organisations may charge parents for the services provided, but permission for children's absence must be sought from the school. In the case of a pupil being absent for an annual holiday, the school needs to authorise the absence. Parents are asked to keep such requests to a minimum. No more than ten days may be authorised in a school year.

The Governing Body reserve the right to charge for any or all the activities and items listed below.

Please note that all payments for all trips and events are paid through Parentpay as we are a cashless school.
