

Wiseman Career Lecture 8

Career Lecture number 8 on 6th November 2023, was on the topic of Accountancy. We welcomed Alex and Jamie Wem from WEM & Co Chartered Accountants and Registered Auditors based in Acton. Wem & Co very kindly offered a week long work experience to two of our students in August. This presentation was a follow up to the placements. We were given a very thorough overview of what Chartered Accountancy is and the ways into the profession. We learned about the many professional Bodies that offer the chartered status, such as ICAEW or CIMA and the difference between working in the practice or industry. WEM & Co will be offering Level 7 Apprenticeships and are very keen for our Y13 students to apply. We are also hoping that they will be able to offer work experience places for Y12 students during Easter break and summer holiday. Interested students need to contact Mrs Sowa for details.
