

Wiseman Career Lecture 11

In Career Lecture number 11 on 4th December 2023, we were very lucky to have a huge team from Sky Sport TV come in to deliver an outstanding presentation.

There were many job descriptions covered:

Operations Manager for floor managers and multi skilled operators, Team Leaders for Graphics, Technical Manager, Team Leader for sound, Team Leader for make-up, Team Leader for scene hands, Operations Support Manager for lighting, Senior Manager for cameras and lighting, Senior Manager for technical managers, Head of Studio Operations, Electrician.

Sky has a large presence in West London, with their Sky Studios, also known as Sky Campus in Isleworth, hosting Sky Sport and Sky News. They are a major employer in our area and run a massive recruitment for young talent, including through Apprenticeships programme. We are hoping to organise a visit to Sky Campus for interested students in the spring term.
