

HIGHEST ABLE AND 'INSPIRE CLUB' TRIP TO THE UNIVERSITY OF OXFORD

*Some Year 9 and Year 12 students took
a trip to*

Oxford University on Tuesday 5th March.

Our Year 12s had a tour of St John's College which included seeing the building where Tony Blair lived whilst he was a student at St John's, Oxford, the beautiful grounds of the college and the extremely impressive 'Old' Library. They also got to meet two past students and one current student who explained how the college system works at Oxford, the application process and some advice on writing personal statements and how to approach an interview.

Year 9s had a tour of the Ashmolean Museum with informative discussions on artifacts of their choosing. They were able to touch, smell and see these exhibits up close. A fantastic experience!
