

Summer 2022 Exam Information

Before you start these exams, please read the **information sheets** attached so that you are very clear about how to follow the exam rules set out by the exam boards. It is very important that you understand these regulations because if you break them, you may be given zero marks for that paper or be disqualified from the subject exam or even from all of your subject exams. If you need help to understand these sheets, please see your tutor, another teacher, or Ms Quigley (in J101).

You have already received your **exam timetable**. Please keep it safe. If you have any questions or problems with it, see Mrs Kaur in B11 immediately.

From 9th May, you will receive your **ID card** from your tutor. Again please keep this safe and bring it to EVERY exam with you.

Exam Contingency Day = Wednesday 29th June 2022

This is a day set by the exam boards that may be used if an exam has to be rescheduled. If one of your exams is moved, then you **must be available** on this day to do that exam.

Information will be given shortly on exam results and appeals.
