

1st May 2024

Dear Parent / Carer,

I am writing this letter to inform you that your son/daughter will have their End of Year Progress Test for Science during their exam week, week commencing 3rd June. The test will be comprised of one paper, 50 minutes long, covering all topics from this year:

Biology

B1.1 Cell structures, B1.2 What happens in cells?, B1.3 Respiration, B1.4 Photosynthesis.

Chemistry

C1.1 Particle model, C1.2 Atomic structure, C2.1 Separating Mixtures.

Physics

P2.1.1-3 Motion, P1.1 Matter – Particle Model, P3.1 Static and Charge, P3.2.1 –P3.2.3 Simple circuits, P5.2 Electromagnetic spectrum, P4.1 Wave Behaviour.

The date informing you of which science lesson your child will be assessed in, will be given later on, and students will be putting this information on to their exam timetable grid.

Please remember that **all pupils have access to 'SHAREPOINT' and 'Kerboodle'**, which I would strongly encourage them to utilise:

[Access SHAREPOINT via the VLE link on the Cardinal Wiseman school homepage](#)

The Science department KS3 folder on SHAREPOINT has broadsheets, boardworks presentations and test-style revision questions with answers for each topic.

www.kerboodle.com

username : same as school username

password : same as username when logged on for first time, then change password

institution : hgu0

Students in year 9 should be looking at the GCSE OCR books on kerboodle.

These tests will be an important indication to the Science Department of progress and need to be attempted with maximum effort. The results for this exam will help to create Science groupings for next year.

If you have any queries please contact me on 0208 575 8222 Ext 437

Yours faithfully

Mrs Z Khan
