

The Cardinal Wiseman Catholic School Parent Teachers Association

Social media policy

November 2024

The Cardinal Wiseman Catholic School Parent Teachers Association at present does not subscribe to any social media platform.

All PTA events are published on the school website and through the school's social media account, both of which are independent of the PTA and are the responsibility of the school.

The Cardinal Wiseman Catholic School are responsible for their own monitoring and adhere to the school's social media policy.

The Cardinal Wiseman Catholic School PTA members use Local Facebook forums in order to promote specific PTA events. These are closed groups meaning that you may apply to join but this will need to be approved by each Facebook group administrator. Only approved members may see posts made to the group. However, once a member of the group, you may also post and these will be seen by all other members of the group who have been similarly approved.

This policy will be reviewed annually by The Cardinal Wiseman Catholic School Parent Teachers Association.
