1. Aims

At Cardinal Wiseman School we are committed to safeguarding children and ensuring they attend school every day. We work in partnership with the parents, students, governors, Westminster Diocese and the Local Education Authority, to building a school which delivers on our vision and ethos "All Things for Christ".

School performance information regarding attendance is forwarded regularly to the Department for Children, Schools & Families and the Local Education Authority.

Cardinal Wiseman Catholic School (CWCS) believes that regular school attendance is crucial to allowing children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.

The Cardinal Wiseman

Catholic School

CWCS values all students. As set out in this policy, we will work with families to early identify the reasons for poor attendance and try to resolve any difficulties.

CWCS believe attendance is a shared responsibility, involving the whole school community and local community; our Attendance Policy should not be viewed in isolation; it is a thread that runs through all aspects of school improvement, and is supported by our policies on safeguarding, anti-bullying, behaviour and inclusion policies. This policy also takes into account the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

CWCS defines our key levels of attendance as:

Attendance	Description	Approx. days lost per year	Approx. weeks lost per year
98-100%	Excellent	0-4	Less than 1
95-98%	Good	5-9	1-2
93-95%	Below Average	10-13	2-3
90-93%	Unsatisfactory	14-28	3-5
Below 90%	Persistently Absent	More than 25	More than 5
Below 50%	Severely Absent	More than 90	19

Students whose attendance drops below 90% are classed as vulnerable students.

The Principles of the Policy

- All school staff, including governors, administrative and support staff understand the issues and procedures for attendance and punctuality.
- Clear procedures for supporting students to come to school.
- Parents/carers and students having the opportunity to raise concerns and share in addressing those concerns.
- Allocating resources e.g. time, people, space to support the policy.
- Rewarding students termly and annually who have good attendance and those who strive to improve their attendance.
- Identifying patterns of absence and intervening early. Research shows

The Cardinal Wiseman Catholic School

patterns of attendance are established early in a school career. Children who miss significant amounts of their education in primary schools are more likely to truant later. CWCS will work with the Local Education Authority and the Education Welfare Officer using data to identify students early.

- Sanctions for failing to ensure regular attendance are fully understood by the whole school community and parents/carers.
- Good attendance is essential to safeguard all pupils; poor attendance can lead to poor behaviour, attainment and progress.
- Poor attendance can also lead to students being exposed to vulnerable situations such as CSE (Child Sexual Exploitation) and county lines, therefore it is of the upmost importance that all stakeholders ensure every measure is taken to maintain a good attendance for all pupils.

DFE (Department of Education) research to support strong attendance culture at Cardinal Wiseman

Poor attendance has a dramatic relationship with GCSE results.

- While 78% of all children who were rarely absent in both years passed at least 5 GCSEs including English and Maths, only 36% of children who were persistently absent in both years and just 5% of children who were severely absent in both years reached this same standard.
- When pupils' attendance improves, the likelihood of achieving qualifications at the end of school massively increases. More than half (54%) of pupils who were persistently absent in Year 10 and then rarely absent in Year 11 passed at least 5 GCSEs including English and Maths, compared to 36% of pupils who were persistently absent in both years.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
 - Part 3 of the [Education Act 2002](#)
 - Part 7 of the [Education and Inspections Act 2006](#)
 - [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)

3. Roles and Responsibilities

3.1 The Governing Board

- Regularly reviewing and challenging attendance data
- Monitoring attendance figures for the whole school
- Making sure staff receive adequate training on attendance
- Holding the headteacher to account for the implementation of this policy

3.2 The Headteacher

The Headteacher is responsible for:

- Implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils
- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary
- Working with the parents of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers

3.3 The designated senior leader responsible for attendance

The designated senior leader (also known as the 'senior attendance champion') is responsible for:

- Leading, championing and improving attendance across the school
- Setting a clear vision for improving and maintaining good attendance
- Evaluating and monitoring expectations and processes
- Having a strong grasp of absence data and oversight of absence data analysis
- Regularly monitoring and evaluating progress in attendance
- Establishing and maintaining effective systems for tackling absence, and making sure they are followed by all staff

The Cardinal Wiseman Catholic School

1.4 The Role of Attendance Administrator Officer

- Support Year teams each morning with students who arrive late.
- Contact absent students from '9:30 early callers' list & notify HOY's of any unexplained absences
- Every two weeks review missing sessions report (missed registers) and liaise with appropriate Deputy Head of Year (DHOY)/ Inclusion Co-ordinator
- Deal with all Leave of Absence request forms, liaise with Assistant Head teacher/ Inclusion Co-ordinator 6th Form.
- Produce weekly attendance data reports.
- Update & maintain attendance on SIMs when in receipt of paper registers & during enforced school closures.
- Produce weekly data/unauthorised absences for deputy Head of Year/Inclusion Co-ordinator 6th Form.
- Produce weekly missing registers report.
- Produce late detention list for KS3 (Key Stage 3) & KS4 and submit it to tutors every Monday for Years 7-11.
- Years 7-11 produce absent late detention list - text parents & notify Assistant Head teacher and year teams each Thursday.
- Generate punctuality letters.
- Produce half-termly attendance figures.

3.5 Role of Parents/Carers

- Talk to their son/daughter about school and their experiences whilst there. Take a positive interest in their child's work and educational progress.
- Instill the value of education and regular school attendance within the home.
- Encourage their child to look to the future and aspire.

The Cardinal Wiseman Catholic School

- Contact the school if their child is absent to let them know the reason and the expected date of return. Follow this up with a note on the student's return to school. "Illness or unwell" are not appropriate reasons for absence. Parents should ensure that they are specific about the reason for absence.
- Avoid unnecessary absences. Wherever possible make appointments for the doctors, dentists etc. outside of school hours.
- Ask the school for help if their son/daughter is experiencing difficulties or refuses to come into school.
- Inform the school of any change in circumstances that may impact on their son/daughter's attendance.
- Support the school; take every opportunity to get involved in their son/daughter's education, form a positive relationship with school and acknowledge the importance of children receiving the same messages from both school and home.
- Encourage routine at home, for example, going to bed at an appropriate time, homework, preparing school bag and uniform the evening.
- Not keep their son/daughter off school to go shopping, to help at home or to look after other members of the family.
- Avoid taking their son/daughter on holiday during term-time – Schools are not legally permitted to authorise holidays in term time so please do not enquire.
- Provide the school with more than 1 emergency contact number for their child
- Keep to any attendance contracts that they make with the school and/or local authority

3.6 Role of the tutor

If a pupil is absent from school, tutors should adhere to the following guidelines.

The Cardinal Wiseman

Catholic School

- Take registers on time (no later than 9.20 am)
- Authorise absences on SIMs, on receipt of letters from parents/carers.
- Liaise with the Attendance Officer before authorising any absences for students whose attendance is below 90%.
- Children looked after absence should be brought to the attention of the Head of Year immediately. Social services (CLA (Children Looked After) team) to be notified on the day of absence by the Year team if the carer cannot be contacted.
- Mark students late if they arrive after the late bell (8:55am). Tutors are permitted to set a detention for 20 minutes (same day) for any tutees who were late and enter into diary.
- Contribute to a whole school approach which reinforces good school attendance; with good teaching and learning experiences that encourage all students to attend and to achieve.
- A positive learning climate is essential for promoting good attendance.
- Tutors must keep the HOY and DHOY informed of any attendance concerns.
- All tutors must use the official codes of absence (see appendix)

All tutors must foster a culture of safety and calm within their tutor groups. Building positive relationships is paramount, as it is more likely to lead to a climate of trust and openness, where pupils discuss problems associated with poor attendance. Tutors are the first step of attendance intervention via tutor coaching.

4. Recording Attendance

Section 7 of the 1996 Education Act states that parents must ensure that children of compulsory school age receive efficient full-time education suitable to their age, ability and aptitude to any special educational needs they may have, either by regular attendance at school or otherwise. A child is of Compulsory School Age at the beginning of the term following their 5th birthday. A child

The Cardinal Wiseman Catholic School

ceases to be of compulsory school age on the last Friday in June of the school year in which they reach the age of 16. Under the Education Act 1996, the Local Authority has a statutory responsibility to ensure that parents secure education for children of compulsory school age and where necessary, use legal enforcement. This responsibility is undertaken by Education Welfare.

The Education (Pupil Registration) (England) Regulations 2006, expect schools to take an attendance register twice a day, once at the start of the morning session (08.50-09.20) and then again during the afternoon session (13.20-14.20).

The electronic register must record whether the student was:

- present;
- absent;
- present at approved educational activity; or
- unable to attend due to exceptional circumstances

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Attendance (recorded electronically) must be recorded carefully and sent immediately. Where there are technical difficulties, tutors should provide a hard copy of the register for the attendance officer, before 9.15 am. This will allow for an effective flow of attendance data to tackle any truancy. Attendance information can be used to format accurate up to date data and communicate

The Cardinal Wiseman Catholic School

promptly to Parents, Heads of Year, Form Tutors, Classroom Teachers, Governors and the DCSF.

Attendance data and reports will be produced for Deputy Heads of Year on a weekly basis. Attendance Officer will review attendance on a fortnightly basis. Attendance data is produced for the DCSF on a termly basis.

Roles & responsibilities in the implementation of the policy

- Any student absence notified to the school on the dedicated absence e-mail will be updated in SIMS accordingly, by the relevant Attendance Administrator.
- If any other member of staff receives a message from a parent this should be forwarded to the relevant Attendance Administrator for action immediately.
- If a student is sent home due to illness/injury, the medical officer must notify the relevant Attendance Administrator at the time of departure. School Comms, the automated 'first day of absence' calling system that we use, is linked to SIMS therefore it is important that registers are taken accurately at the beginning of tutor time & all lessons.
- A.M. registers must be taken & sent before 9.20 a.m. A prompt is sent daily, at approximately 9.30am, to those teachers whose a.m. registers remain untaken.

Day one of absence:

- Text alert sent to parent's/carer's if not present by 11 a.m. If a response is received from the family regarding a students' absence, SIMS is automatically updated.
- Attendance Admin Officer. Telephone parent/carer of all absent LAC/vulnerable pupils (10:30 a.m.) If no message received before then the Head of Year (HOY) will be notified. **HOY notified daily of any**

The Cardinal Wiseman

Catholic School

absences of these students and reasons.

- Attendance admin officers make their best endeavours to call parents/carers of any child who is absent without reason.
- Head of Year to contact attached social worker where contact cannot be made and where appropriate.

Day two of absence:

- Second text alert sent to parent/carer if not present by 11 a.m. Attendance Admin Officer to notify HOY and AHT/DSL if no parental contact within two days. Follow up phone call to parent/carer.

Day three of absence:

- If no contact or authorisation for absence has been received, Attendance Admin Officer to notify relevant Attendance Officer. Appropriate action is taken by the Attendance Officer (A.O). This may include phone call, letter sent home or for vulnerable pupils/persistent attendance concerns, visit by A.O. & Safer Schools Police Officer (attached police officer).
- Where attendance is a persistent issue, the LEA attendance officer will be notified.

The 'Children Missing Education Team' must be informed of unexplained prolonged absences, where every effort has been made to identify the location & well-being of a child. The school may ask the Safer Schools Police Officer to conduct a home visit if we are concerned about the well-being of a child.

Appropriate letters are sent to the parent/carer. When the pupil returns to school, the tutor must see a note of authorisation from the parent/carer and amend register on SIM's.

5. Authorised and unauthorised absence

No parent can as of right demand leave of absence for their child. The school has a discretionary power to grant leave only in exceptional circumstances and where a written application is made in advance.

5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2025 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable (in line with CMOE guidance)
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

The parent with whom the pupil normally resides must make the application in good time and discuss the matter well in advance with the school. Carefully consider why such leave is necessary and be prepared to offer documentation to support the application.

- Regulations have been amended (September 2013) to prohibit the Headteacher of a maintained school granting leave of absence to a pupil except where an application has been made in advance and they consider that there are exceptional circumstances relating to the

The Cardinal Wiseman Catholic School

application.

- The Department for Education discourages term-time absence. Term time absence is disruptive and affects the continuity of learning.
- Holidays which are taken because of availability of cheaper offers, the availability of desired accommodation, poor weather experienced in school holiday periods or an overlap with beginning of term do not qualify as exceptional.
- Tickets should not be booked prior to application. Prior purchase in no way validates the request.
- Where a return date is agreed, and the absence is extended, it will be regarded as unauthorised and you may also risk losing your place at the school.
- Leave of absence cannot be granted retrospectively. In the case of an acute emergency, parents should contact the school at the earliest opportunity during the absence to explain the circumstances. They should keep the school fully informed as to an acceptable return date and offer documentation if requested towards justifying the nature of the emergency.
- The illness of a family member cannot be accepted as justification for a delayed return without showing the original tickets or travel documents that would have allowed a timely return.

Each request for absence will be considered individually in accordance with the policy made by the Governing Body of an individual school. Schools consider the following:

- The exceptional nature of the circumstances.
- The child's previous attendance history.
- The child's stage of education and progress.
- The time of year (assessments or exams).
- The length of the absence requested.

The Cardinal Wiseman Catholic School

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil’s parent(s) belong(s). If necessary, the school will seek advice from the parent’s religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience

The Cardinal Wiseman

Catholic School

- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The Cardinal Wiseman Catholic School

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

The Cardinal Wiseman

Catholic School

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

The school attendance policy promotes regular attendance to give students full access to the teaching and learning opportunities offered by CWCS. The policy is understood by teachers, pupils and parents/carers and is consistently applied. The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

We value and recognise good attendance. Pupils who maintain excellent attendance records throughout the academic year are eligible for special rewards and recognition.

Some examples of this are:

- Via tutor coaching conversations
- Student of the week nominations via HOY & DHOY – students are then

The Cardinal Wiseman Catholic School

recognized in assembly

- Head Teacher Praise Cards
- Certificates for excellent attendance at achievement assemblies (termly)
- Tutor Attendance Awards

Cardinal Wiseman Catholic School (CWCS) believes that regular school attendance is crucial to allowing children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.

CWCS values all students. As set out in this policy, we will work with families to early identify the reasons for poor attendance and try to resolve any difficulties.

7. Supporting pupils who are absent or returning to school

Some pupils face more complex barriers to attendance. This can include pupils who have long term physical or mental health conditions or who have special educational needs and disabilities (SEND). Their right to an education is the same as any other pupil and therefore the attendance ambition for these pupils should be the same as it is for any other pupil but additional support may need to be provided. Staff are mindful of students own individual barriers to attending school. A strong and positive whole school culture supports students and their families to understand the importance of school attendance, attainment and safeguarding.

Meetings take place regularly with the Assistant Head teacher Pupil Care and Behaviour, SENCo, Inclusion Co-ordinator/ Director of 6th Form, Attendance Officer, Heads of Year and the support team to implement the appropriate support for the student. The support may be long term or short term. The

The Cardinal Wiseman Catholic School

school will create a short term partial timetable to support students on a case to case basis.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority. If attendance continues to be a cause for concern, matters may be referred to The Legal Proceedings Panel at the London Borough of Ealing for consideration.

Potential barriers to strong attendance at school:

- o Mental or physical ill health including EBSA
- o Academic challenges
- o Disengagement
- o Social and behavioural challenges
- o Barriers from the home environment
- o External pressures
- o Travel (distance from school)

Physical & Mental Health

In cases of both long term physical or mental ill health, school staff are not expected to diagnose or treat physical or mental health conditions, but they are expected to work together with families and other agencies with the aim of ensuring regular attendance for every pupil.

We will:

- Facilitate any relevant pastoral support with the clear aim of improving attendance as much as possible whilst supporting the underlying health issue.
- Consider adjustments to practice and policies to help meet the needs of pupils who are struggling to attend school, as well as making formal reasonable adjustments under section 20 of the Equality Act 2010 where a pupil has a

The Cardinal Wiseman

Catholic School

disability. Any adjustments should be agreed by, and regularly reviewed with the pupil and their parents.

- Consider whether a time-limited phased return to school would be appropriate, for example for those affected by anxious feelings about school attendance.
- Make a sickness return to the local authority if a pupil is recorded in the attendance register as absent using code I (unable to attend because of sickness) and there are reasonable grounds to believe the pupil will have to miss 15 consecutive school days or more for illness or the pupil's total number of school days missed during the current school year because of illness (whether consecutive or cumulative) will reach or exceed 15 school days.

SEND

For pupils with special educational needs and disabilities, schools are expected to:

- Work in partnership with parents to develop specific support approaches for attendance for pupils with special educational needs and disabilities, including, where applicable, ensuring the provision outlined in the pupil's education, health and care plan is accessed.
- Work in partnership with families to help support routines where school transport is regularly being missed and work with other partners to encourage the scheduling of additional support interventions or medical appointments outside of the main school day.
- Establish strategies for removing the in-school barriers these pupils face, including considering support or reasonable adjustments for uniform, transport, routines, access to support in school and lunchtime arrangements.

The Cardinal Wiseman

Catholic School

- Consider adjustments to practice and policies to help meet the needs of pupils who are struggling to attend school, as well as making formal reasonable adjustments under section 20 of the Equality Act 2010 where a pupil has a disability. Any adjustments should be agreed by, and regularly reviewed with the pupil and their parents.
- Ensure joined up pastoral care is in place where needed and consider whether a time-limited phased return to school would be appropriate.

Support Systems

Where there are persistent concerns regarding a student's attendance, all strategies should be explored, and the following support agencies/services can be utilized:

- Inclusion support
- Behavioral support
- Individualised support for those displaying signs of EBSA
- Educational Therapist
- School Chaplain
- Connexions/Careers Department
- Mentoring Department
- SEN (Special Educational Needs) Department
- Homework Clubs
- Secondary Inclusions Team
- Multi –Agency Meetings
- Safer Schools Police Officer
- SAFE Adolescent Service
- Reintegration support packages including short term part time timetables where appropriate
- Use of alternative provision for re-engagement
- Common Assessment Framework

Partial timetables

The Cardinal Wiseman

Catholic School

In very exceptional circumstances, where it is in a pupil's best interests, there may be a need for us to provide a pupil of compulsory school age with less than full-time education through a temporary part-time timetable to meet their individual needs. For example, where a medical condition prevents a pupil from attending school or another setting full-time and a part-time timetable is used to help the pupil access as much education as possible.

A part-time timetable involves:

- Have the agreement of both the school and the parent the pupil normally lives with.
- Have a clear ambition and be part of the pupil's wider support, health care or reintegration plan.
- Have regular review dates which include the pupil and their parents to ensure it is only in place for the shortest time necessary.
- Have a proposed end date that takes into account the circumstances of the pupil, after which the pupil is expected to attend full-time, either at school or alternative provision. It can, however, be extended as part of the regular review process. In some limited cases, a pupil with a long-term health condition may require a part time timetable for a prolonged period

Children missing education (CME)

As defined in the Section 436A of the Education Act 1996, CME are children of [compulsory school age](#) who are not registered pupils at a school and are not receiving suitable education otherwise than at a school.

This includes children who are awaiting a school place and children in receipt of unsuitable education, including those children's local authorities are supporting to place into suitable education.

Children missing education are:

The Cardinal Wiseman

Catholic School

- Children of compulsory school age, and
- Not on a school roll or in alternative suitable educational provision for more than 20 school days.

An elective home educated (EHE) child whose education is deemed unsuitable should be classified as CME. A separate [release has been published relating to EHE](#).

Children who are on the roll of a school but persistently or severely absent are recorded in the school census. Information on these children can be found in [Pupil absence in schools](#).

Female Genital Mutation (FGM)

Year teams and associated staff have an awareness of FGM, and the potential attendance indicators associated with it. These are likely to present themselves through non-attendance or parental Leave of Absence requests at the end of the summer term. Where a student has been subject to FGM, they may also suffer irregular attendance through ill health at the start of the autumn term. Where suspicions arise, staff have a legal duty to call the Police on 101 and report their concerns.

Religious Observance

CWCS acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends, and this necessitates a consideration of authorised absence or special leave for religious observance.

It is reasonable for a parent/carer to request their children not to attend school on any day of religious observance if recognised by the parent's/carer's religious body.

The Cardinal Wiseman Catholic School

Parents/cares are requested to give advanced notice to the school if they intend their son/daughter to be absent.

However, in the interests of fulfilling the academic requirements of the school and limiting the authorised absence rate of the school, it is identified as reasonable that no more than one day be designated for any individual occasion of religious observance/festival and no more than three days in total in any academic year. Any further absence will be categorised as unauthorised.

8. Attendance monitoring

All data regarding attendance is centralised using SIMS Registration system. It is the responsibility of the Assistant Head teacher, Pupil Care and Behaviour and the 6Th form Inclusion Co-ordinator alongside the Director of 6th Form to monitor attendance & punctuality, whilst being supported by the Attendance Administration Team (AAT) & 6th Form Administrator (6thFA).

Data is revised and appropriate decisions made. Data is forwarded daily, by the Attendance Officer/administrator, to the HOY's & their Deputy's.

Specific pupil information will be shared with the DfE on request. **The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.**

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

8.1 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.2 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families
- Provide regular attendance reports to form tutors to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies.
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.3 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Work with the LA on legal intervention where support is not working or being engaged with

The Cardinal Wiseman Catholic School

- Intensify support through statutory children's social care, where there are safeguarding concerns
- Implement sanctions, where necessary (see 5,2)
- Send letters half termly to flag students on 90-93% for early intervention. A second letter is sent when a student falls under 90% explaining the impact and offering support. A third is sent if no improvement is seen where it is outlined about further support and interventions or potential need for an attendance contract or referral to Ealing referral team.

Where a pupil is severely absent, the school will take the approach above for persistently absent pupils **and** agree a joint approach with the local authority.

The type of support the school and other partners can provide includes:

- A whole family plan
- An education, health and care (EHC) plan
- Alternative provision

8.3 The Role of the Deputy Head of Year (Years 7-11)

- Check tutor group attendance within their year on a weekly basis.
- Target & monitor students with attendance between 90-93% and record interventions on tracking spreadsheet.
- Initiate contact with parents/carers (letter/phone-call) of students whose attendance falls into 90-93% monitoring group to explore reasons for low attendance.
- Implement personalised interventions where appropriate, to improve attendance. This can be done by identifying barriers to attendance and finding patterns that can be addressed swiftly.
- Meet with Attendance Administrator regarding missing registers (fortnightly).
- Identify any pupils at risk of truancy and alert the Attendance Officer.

The Cardinal Wiseman Catholic School

- Alert the Attendance Officer if there are major issues that may need to be communicated to school staff, support team and outside agencies.

8.5 The Role of the Head of Year

- Target & monitor students with attendance under 90% and record interventions on tracking spreadsheet.
- This can be done by identifying barriers to attendance and finding patterns that can be addressed swiftly. HOYs are expected to change interventions if previous intervention fails.
- Review/screen the 90% (95% 6th form) & below letters before being sent out by Attendance Officer i.e. where there may be concerns over sensitivity or vulnerable pupils. The HOY may choose not to send attendance warning letters.
- Be available to meet with parents/carers of students with persistent attendance issues, as required by Attendance Officer.
- Facilitate the access of internal & external support agencies.
- Notify the 'Children Missing Education' team if there is an unexplained absence & where attempts have been made to establish the location/address and well-being of a pupil.
- Follow up on school transfers and ensure the receiving school has a start date for incoming student. Where families fail to provide information or accurate information on where a student will transfer to, concerns should be logged with the 'Children Missing Education' team.
- Liase with Social Services where appropriate (LAC/vulnerable).

9. Punctuality Strategy (Yr. 7-11)

Daily procedures for students who are late:

- Students who arrive after the late bell, 8:55am, are directed by a member of the year team to the school canteen where they will receive

The Cardinal Wiseman Catholic School

a late stamp in their diary.

- AHT will conduct diary checks.
- Names of students will be recorded and entered onto SIMs as late by the AHT.
- Students will be spoken to regarding their lateness.
- Students will work in silence and carry out private study under the supervision of an AHT.
- The AHT will notify parents/carers of all students who arrive late via text message.

Procedures for dealing with persistent lateness:

- 5 'Lates': If a student is late 5 times or more, the parent/carer will be sent an initial warning letter which will be generated and sent by the administration team.
- 5 lates or more in a half term, results in Saturday detention.

The admin team will issue letters and attach to SIMs as evidence. The letter will warn that a failure to improve punctuality will lead to isolation from break & lunchtime until a meeting with the Head of Year has been arranged.

- 15+ 'Lates': If a student is late 15 or more times, he/she will be sent home with a letter informing the parent/carer that their son/daughter is continuing to arrive late to school.
- KS4 students-each subsequent time that they are late, they will attend an after-school detention for 40 minutes.

The letter will be generated by the administration team and passed to the relevant HOY. The HOY will issue the letter to the student and a copy will also be posted home. Students with 15 or more lates will be placed into Inclusion each

The Cardinal Wiseman Catholic School

time they are late to school. This will be in operation for a minimum of 3 weeks and up to 6 weeks.

- In cases where punctuality does not improve, the school will refer the case to the family Local Education Authority Welfare Officer. In extreme cases, the school may seek to fine parents or arrange a parenting contract order where non-compliance is evident.

Late Detention

Students will be issued with a late detention if they arrive to school late on 2 or more occasions in the previous week. Late detention will be conducted every Friday after school between 3:20 and 4:20pm for 1 hour. This detention will be split into Key Stage 3 and Key Stage 4.

Procedure

- AHT to compile late detention list each Friday afternoon and send it to tutors before am tutor on Monday.
- Students will be notified on Monday morning and no later than Tuesday pm tutor, to provide parents/carers with 24 hours' notice.
- Tutor to enter this into student planner.
- Late detention registers to be taken and submitted to AAT that evening.
- AHT to notify year teams of non-attenders and text parents to inform them of rescheduled detention Friday 3:20pm.
- Rescheduled detention to be conducted by year teams on rota basis.

Punctuality Strategy (6th Form)

Daily procedures for students who are late:

- Students who arrive after the late bell should be recorded late on SIMS by their tutor or subject teacher.
- Daily check of students late by 6th Form Administrator.
- Students will have a lunch time detention on day of being late

The
Cardinal Wiseman
 Catholic School

- Students spoken to by a member of the 6th form team.

Procedures for dealing with persistent lateness (6th Form):

- Students late 15 times in a year receive a Saturday Detention.
- Letter home at 5 lates. Saturday detention if all 5 within ½ term.
- Letter home at 10 lates. 40 min detention for each subsequent late
- Parental meeting with HoY at 15 lates
- Letter home and meeting with Director of 6th form at 15 lates (and every 10 additional lates thereafter), and a Saturday detention issued.

Appendix 3 – NHS Guidance on illness

Is my child too ill for school?

It can be tricky deciding whether or not to keep your child off school, nursery or playgroup when they're unwell.

There are government guidelines for schools and nurseries about [managing specific infectious diseases at GOV.UK](#). These say when children should be kept off school and when they shouldn't.

If you do keep your child at home, it's important to phone the school or nursery on the first day. Let them know that your child won't be in and give them the reason.

If your child is well enough to go to school but has an infection that could be passed on, such as a cold sore or head lice, let their teacher know.

Other illnesses

Follow this advice for other illnesses:

Coughs and colds

It's fine to send your child to school with a minor [cough](#) or [common cold](#). But if they have a fever, keep them off school until the fever goes.

Encourage your child to throw away any used tissues and to wash their hands regularly.

High temperature

If your child has a [high temperature](#), keep them off school until it goes away.

Chickenpox

The Cardinal Wiseman Catholic School

If your child has [chickenpox](#), keep them off school until all the spots have crusted over.

This is usually about 5 days after the spots first appeared.

Cold sores

There's no need to keep your child off school if they have a [cold sore](#).

Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.

Conjunctivitis

You don't need to keep your child away from school if they have [conjunctivitis](#).

Do get advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.

COVID-19

If your child has mild symptoms, such as a runny nose, sore throat, or slight cough, and feels well enough, they can go to school.

Your child should try to stay at home and avoid contact with other people if they have [symptoms of COVID-19](#) and they either:

- have a high temperature
- do not feel well enough to go to school or do their normal activities

What to do if your child has tested positive

Your child is no longer required to do a COVID-19 rapid lateral flow test if they have symptoms. But if your child has tested positive for COVID-19, they should try to stay at home and avoid contact with other people for 3 days after the day they took the test.

Ear infection

If your child has an [ear infection](#) and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.

Hand, foot and mouth disease

If your child has [hand, foot and mouth disease](#) but seems well enough to go to school, there's no need to keep them off.

Encourage your child to throw away any used tissues straight away and to wash their hands regularly.

Head lice and nits

There's no need to keep your child off school if they have head lice.

You can treat [head lice and nits](#) without seeing a GP.

Impetigo

If your child has [impetigo](#), they'll need treatment from a pharmacist or GP, often with antibiotics.

Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment.

Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.

Measles

If your child has [measles](#), they'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily.

Keep your child off school for at least 4 days from when the rash first appears.

They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.

Ringworm

If your child has [ringworm](#), see your pharmacist unless it's on their scalp, in which case you should see a GP.

It's fine for your child to go to school once they have started treatment.

Scarlet fever

If your child has [scarlet fever](#), they'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks.

Your child can go back to school 24 hours after starting antibiotics.

Slapped cheek syndrome (fifth disease)

You don't need to keep your child off school if they have [slapped cheek syndrome](#) because, once the rash appears, they're no longer infectious.

But let the school or teacher know if you think your child has slapped cheek syndrome.

Sore throat

You can still send your child to school if they have a [sore throat](#). But if they also have a high temperature, they should stay at home until it goes away.

A sore throat and a high temperature can be symptoms of [tonsillitis](#).

Threadworms

You don't need to keep your child off school if they have [threadworms](#).

Speak to your pharmacist, who can recommend a treatment.

The

Cardinal Wiseman

Catholic School

Vomiting and diarrhoea

Children with [diarrhoea or vomiting](#) should stay away from school until they have not been sick or had diarrhoea for at least 2 days (48 hours).
